

SEA RIM STRIDERS FEATURED EVENT REQUEST FORM

The goal of the Sea Rim Striders is to promote Health and Fitness, with emphasis on running and walking.

We are happy to Feature local events that meet the SRS requirements!

The purpose of designating races as "FEATURED" is to highlight those races that are proven to be well organized and safe, and those races who have communicated with SRS that they have a plan to provide the minimum requirements to host a successful race. Also, since there are so many events being held, especially September – April, it helps to establish the date for your event.

There can only be one Featured event per month (Aside from SRS Hosted races)

If a previously secured SRS Featured Event falls on the same month as your event and that secured race changes it's date to a different month, We will consider the next race applicant for FEATURED event, in its place.
